

# ENTRANCE AND EXIT GUIDELINES

We are asking that all cars enter from the West at the intersection of Grant & High Streets. We will have the entrance and parking attendants ready at 8:00am. At the entrance, pre-registered entrants will need only to identify themselves in their car, receive your goodie bag and park. Those paying at the gate will also receive their goodie bag and proceed to park, and then fill out their registration form and take it to the registration table which will again be situated near the flagpole, center of square. We are asking for orderly exit again to the west on High Street, or North & South on Charlotte. Thank you for your cooperation!!
