ASSETS - Manheim

Have you ever dreamed of owning a small business? In January, the Man-

heim Downtown Development Group is teaming up with ASSETS Lancaster to bring individuals of Lancaster County a unique business experience that could fulfill your passion in owning your own business.

Built on a commitment to community and individual development, ASSETS Lancaster improves lives through self employment. Through the ASSETS program, small business owners and budding entrepreneurs receive vital information on how to start, manage and grow a young business.

The ASSETS Business Design and Management Course is a 13 week program that teaches the concepts of being a business entrepreneur and sharpening your existing business skills. The course is taught by volunteers who are

successful businesspeople who share their knowledge and bring their real world experiences to the classroom.

The 13 week program will be held at the Manheim Central Middle School on Tuesdays begin on January 19th. The program will cover the following business practices:

- The Challenge of Entrepreneurship: Living Your Values
- Your Product or Service: Defining Your Dream and Mission
- Business Plan
- Market Research & Computer Lab
- The Customer/Making the Sale
- Financial Realities
- Cash Flow Projection
- Financial Statements
- Financial Record Keeping
- Pricing
- Priority Management
- Legal Tax and Insurance Issues
- Promotion and Advertising

For more information or to submit an application, please call Manheim Downtown Development Group at (717) 665-1762 or ASSETS at 393-6089.

New Library Hours

The Manheim Community Library invites you to visit their rotating display. This month they are exploring American Creativity and Ingenuity through artistic renderings. From skyscrapers and bridges to teapots and quilts, Americans have made everyday objects both beautiful and functional. This is the 5th set of pictures

and is made possible by a grant from the National Endowment of the humanities.

Beginning on Friday, January 8th, the Manheim Community Library will reduce their Friday hours to 10:00 am until 5:00 pm due to cuts in the PA State Library budget.

For more information and hours of operation, please call 665-1572.
