Business Spotlight

Physical Therapy Associates of Manheim

Physical Therapy Associates of Manheim is a privately-owned physical therapy practice located at 107 West End Dr. in Manheim. Owners Maureen Halat, PT, OCS, Maureen Rudy, PT and Michael J. Tempalski, PT, OCS, have been serving the Manheim community for 17 years. In 2003 the business moved to a state of the art facility designed specifically for physical therapy by Mrs. Halat. Located at 107 West End Drive in Penn Township the building was better suited to accommodate an increasing patient load and allow for better, more varied treatments including the addition of an area used solely for Pilates instruction by Mrs. Halat. In 2007, the practice expanded and opened a second office in Myerstown. The opening of our third office in Hershey is slated for August 2010.

PTAM also provides the Certified Athletic Training Services to Manheim Central School with Renee Rieker MS, ATC, EMT as the coordinator of those services. In addition to providing athletic training coverage at middle and high school sporting events, yearly sports and school physicals are coordinated by PTAM. PTAM prides itself on providing high quality, personalized care and offers a pleasant and professional approach to each patient's case. Our patient to therapist ratio is kept low in order to allow us to deliver the individualized care to

our patients. At PTAM, we are guided by our mission to provide patient-first care. Our physical therapists have over 65 years of combined clinical experience and are skilled at delivering the hands-on care that our patients deserve. Both Maureen Halat and Michael Tempalski have been certified as a Clinical Specialists in Orthopedic Physical Therapy by the ABPTS, American Board of Physical Therapy Specialties. The practice's excellent reputation in the community and among referring physicians is a result of PTAM's ability to provide consistent care and timely patient updates as well as effective, visible improvements in the patients treated.

Over the years, PTAM has been fortunate to enjoy the support the Manheim community and surrounding areas. Involvement in the community is a priority for the staff who routinely donates their time, talent and resources to charitable events, such as the Lancaster MS Walk and American Cancer Society Relay for Life events. PTAM is also a supporter and contributor to the Leukemia Society. In addition to national societies, PTAM provides continued support and sponsorship of high school athletics and local sports teams at all levels. Most recently we have sponsored a local 60+ Softball Team and local Little League t-ball teams which Michael has enjoyed coaching for the past 3 years.

Please visit www.ptofmanheim.com for further information or call 664-4980 to schedule an appointment for physical therapy.
