## ONE STROKE PAINTING WORKSHOP

Want to learn to paint? Want to have a rewarding hobby? Have the desire to learn something new and fun? This is the class for you. It is loaded with ideas, paintings, and easy-to-follow instructions. This is an opportunity for you to learn a new hobby, then share it with the world, in craft shows and shops, bazaars, and display it in your home decor. Theresa Parrino, Owner of Courtyard Crafts & Gifts located at 13 South Main Street will give you step-by-step instructions. Painting is a form of self-expression that you can use for the rest of your life. You don't have to be an expert in this technique. Everyone can accomplish the "One Stroke" technique. In the fast-paced world that we live in, painting is a breath of fresh air. You can just relax and enjoy the

moment while painting. You don't need a lot of space, just a small table. Painting can fit in your life, no matter where you live. Courtyard Crafts & Gifts is offering classes on Wednesdays from 1:30 pm until 4:30 pm and on Saturdays starting at 10:00 am until
