### A Message from the Main Street Manager...

I usually leave this column for information, upcoming events and the ever recruitment of volunteers. However, because of the beginning of the New Year, I decided to offer some advice to you going into 2009...

#### **Don't take life too seriously!**

Or... as the one hit wonder Bobby McFerrin wrote, "Don't Worry, Be Happy." If you are unaware of this song, Google it. It's a catchy little tune!

Going forward in 2009, let's realize that life is meant to be enjoyed! So consider what little we need to do and then detach from the rest and be happy!!

Have a great week and hope to see you soon!
