MDDG OFFICE CELEBRATES 1 YEAR

Eight years ago, the Manheim Downtown Development Group was organized. In 2007 they obtained Main Street status for downtown Manheim.

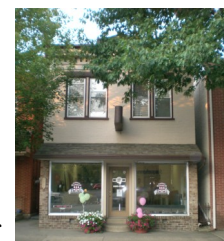

The Main Street Program provides a specific model for communities to follow in order to help with their revitalization efforts.

A integral part of the Main Street Program is its volunteers and broad-based community support!

In March 2008, the organization opened their office at

17 North Main Street. The facility is used for meetings, volunteer gatherings and business coffee breaks where we discuss future ideas for Manheim.

Our office hours are Monday through Friday, 8:00 am until 4:00 pm.
