BUSINESS SPOTLIGHT

MOUNTAIN VIEW HEATING & COOLING

Strong personal service with reasonable rates and no hidden costs are Mountain View Heating and Cooling's key business values.

Mountain View Heating and Cooling is owned by Kurt and Karen Shreiner who are both Manheim Central Alumni. With over 20 years of industry experience and knowledge, Kurt decided to open his business in 2004 because he wanted to provide more for consumers. He takes the time to educate his customers on their current home condition and the various comfort solutions available. He helps his customers understand all the options that are available to them and to help them make the best decisions for their families comfort.

Cooling is able to offer a large variety of heating and cooling systems to fit everyone's needs.

They offer some of the newest, most efficient systems available.

Mountain View is an independent dealer for Trane, Luxaire, Triangle Tube and Thermo-Dynamics systems. They provide full service, maintenance and installations on both heating and cooling units which includes oil and gas furnaces, boilers, heat pumps, radiant heat and more. As a full service company, they handle new construction, additions, replacement systems and restoration.

For more information, please visit their website at mountainviewheatingandcooling.com
