ROAD WORK ON MAIN STREET

Bill Kelso, Manheim Borough Manager, stopped in to the Manheim Downtown Development Group Office during our recent Merchant Coffee Break to educate the business owners of the upcoming road work slated for North Main Street. This work will consist of milling work, replacement of curbs and a better

road for the Manheim community and our visitors! This work is to begin May 2009. More specific information regarding dates, traffic patterns, and detours will follow. Bill also stated that he will be holding a Town Meeting to inform the community of this information.
