BUSINESS IN THE SPOTLIGHT... D. LAMAR ROOT, LLC FLOORING

What's more important than your home? Excluding your family, probably nothing! Your home is where you feel safe, entertain friends, and relax after a hard day of work or watching kids. It's probably where you spend most of your time. However, if you're like most people, you have at least one room that's not quite what it should be, especially the floor. It's easy to forget that you walk on it day after day, year after year. Well, now's the time to change that less-than-perfect room into something "magazine-beautiful". Lamar Root can help you achieve that by giving you a new floor! And unlike many major purchases, it won't depreciate the second it passes from the dealer to you. D. Lamar Root has

been in the flooring business with over 25 years of business. In December of 2007, Lamar opened the doors on 9 South Main Street to showcase his business and products. Carpet, Vinyl, Hardwood and Laminate floor installations are what they concentrate on most, but their range of services goes beyond that. Their plan is simple... Provide customers with a quality product, follow it up with professional service, and do it at a competitive price. For more information on their products and services, please visit their website at www.dlroot.com or call Lamar at 371-6721.

ASSETS MANHEIM BUSINESS MANAGEMENT COURSE

This March, the Manheim Downtown Development Group is teaming up with Assets Lancaster to bring individuals of Lancaster County a unique business experience. Built on a commitment to community and individual development, Assets Lancaster improves lives through self employment. Through the Assets program, small business owners and budding entrepreneurs receive vital information on how to start, manage and grow a young business.

Management Course is a 13 week program that teaches the concepts of being a business entrepreneur and sharpening your existing business skills. The course is taught by volunteers who are successful businesspeople who share their knowledge and bring their real world experiences to the classroom.

Bryan Zeamer recipient of the 2008 Assets Trainer Award

For more information and to register for this opportunity, please visit our website at www.manheimdowntown.org or call 665-1762.
