THIS WEEK IN MANHEIM JUNE 22 - 28, 2009

BUSINESS SPOTLIGHT GRAYBILL'S TOOL AND DIE, INC.

In 1956, Roy Graybill of Manheim founded Graybill's Machine Shop which was located on East Ferdinand Street. Since that time, the business has taken on a new name and new location.

In 1959, Roy's son Reid began to work for the company. Today, Reid, CEO along with his brother Geoff, President, continue their father's legacy.

Graybill's Tool and Die, Inc. provides complete design and build of machines, manufacturing systems, machine controls, panel building, prototypes, custom tools, dies, jigs, fixtures and precision machined parts. Designers employ full solid machine tools and techniques are used to complete business operations

Graybill's Tool and Die, Inc. design department stands ready

to help meet your needs for equipment design and build.

Whether you have just a concept, some preliminary drawings, or even a complete machine or prior design you need altered or replicated, their design staff is experienced in making your idea become a reality.

Some of the services that Graybill's offer are:
Solid Modeling, Design Services, Drawing Conversion, Project Management, Detail Drafting, Systems Integration, Electrical

Cabinet Building, PLC Programming, Panelview Integration, Field Installation Help, and Start Up Assistance

For more information, please visit their website at www.graybills.com or call (717) 665-5546.
