SPOTLIGHT

MANHEIM AREA CHAMBER OF COMMERCE.

The Manheim Area Chamber of Commerce was organized on February 1960 by a group of businessmen who felt the need for such an organization in Manheim. It was established for the advancement of commercial, industrial, civic, and general interests of the Borough of Manheim and surrounding townships. The Chamber has undertaken many projects for the betterment of the community and through the years, many local business persons have served as elected officers and board members. These persons have provided the Chamber with strong leadership which has resulted in a growing organization and a stronger community.

A business cannot stand alone. Collectively through the Chamber, businesses are able to accomplish what each could not do individually.

Over one hundred and twenty members who share the same goals join together enabling all of us to accomplish more. We welcome you to share our excitement and help make the Manheim Area a greater place for you and your business. Your involvement will make a definite difference. Do you want your business to grow? others to brainstorm and learn how to get your message heard. Visit us here to learn more about how your involvement as an individual and as a business or organization will increase visitor interest, healthy commerce and resident enhancements in Manheim.

THANK YOU!

Our Adopt A Block Party and our Market on the Square event was a huge success! Thank you to the community for supporting our efforts to continuously bring awareness to our historic town with these family fun events!

I would also like to thank the countless hours our volunteers, businesses and organizations contributed and donated for us to host the events.
